Farmers are very busy preparing for another crop. Wheat looks bad.

But few farmers in this part of the country anticipate raising tobacco.

Don't Stop Tobacco.

HOW TO CURE YOURSELF WHILE USING IT.

The tobacco habit grows on a man
until his nervous system is seriously
affected, impairing health, comfort and
happiness. To quit suddenly is too
severe a shock to the system, so tobacco
is an inveterate user becomes a
sufferer. "Bacco-Curo" is a scientific
cure for the tobacco habit. In all its
forms, carefully compounded after the
formula of an eminent Berlin physi-
cians who has used it in his private
practice since 1872, without a failure.
It is purely vegetable and guaranteed
perfectly harmless. You can use all
the tobacco you want while taking
"Bacco-Curo." It will notify you
when to stop. We give a written
guarantee to cure permanently any
case with three boxes, or refund the
money with 10 per cent. interest.
"Bacco-Curo" is not a substitute, but
a scientific cure, that cures with-
out the aid of will power and with no
inconvenience. It leaves the system
as pure and free from nicotine as the
day you took your first chew or smoke.
Cured By Bacco-Curo and gained
Thirty pounds.

From hundreds of testimonials, the
originals of which are on file and open
to inspection, the following is pre-
sented.

Clayton, Nevada Co., Ark., Jan. 28, '95.

Eureka Chemical & Mfg., Co., La
Crosse, Wis.—Gentlemen: For forty
years I used tobacco in all its forms.
For twenty-five years of that time I
was a great sufferer from general de-
bility and heart disease. For fifteen
years I tried to quit, but couldn't. I
took various remedies, among others
"No-To-Lic," "The Indian Tobacco
Antidote," Double Chloride Gold,
etc., etc., but none of them did me the
least bit of good. Finally, however,
I purchased a box of your "Bacco-
Curo" and it has entirely cured me of
the habit in all its forms, and I have
increased thirty pounds in weight and
am relieved from all the numerous
aches and pains of body and mind. I
could write a quire of paper upon my
changed feelings and conditions.
Yours respectfully, P. H. MAHONEY.

CONVENTION.

An Enthusiastic Meeting at
Beaver Dam.

DR. A. D. JAMES MODERATED.

Pursuant to call of the District
Chairman, Dr. Rhorer, the Republi-
cans of the 7th Senatorial District
met in Delegated Convention at Bea-
ver Dam last Friday to nominate a
candidate to succeed the Hon. A. D.
James in the Senate of Kentucky.

Chairman Rhorer called the house
to order and stated the object of meet-
ing, after which he declared nomi-
nations in order. Temporary Chair-
man Hon. N. T. Howard, of Butler
county was chosen as Chairman, Sam
A. Anderson was elected Secretary.

The Convention organized the following
committee on credentials: W. A.
Gibson, E. P. James, Dr. M. Rhorer,
whose report was a report, showing
the required number of delegates, etc.

The following committee was ap-
pointed on rules: M. H. Thatcher, C.
M. Barnett, G. M. York. They made
the following report which was adopt-
ed.

The committee on Rules would re-
port as follows. The order of busi-
ness of this Convention shall be:
Reports of counties, nominations.

The basis of representation shall be
one vote for each 100 votes or frac-
tion thereof cast for W. O. Bradley for
Governor at the recent State election
on which entitles the various counties
to the following vote: Butler 16,
Muhlenberg 18 and Ohio 22.

The rules governing the deliberation
of this Convention shall be those
adopted by the Lower House of the
present General Assembly of the
State of Kentucky so far as applicable.

M. H. THATCHER,
C. M. BARNETT,
G. M. YORK.

The committee on resolutions com-
posed of M. L. Heavrin, M. L. Ward,
J. B. Wilson reported as follows:

We, the Republicans, in Conven-
tions assembled, resolved.

1. That we endorse and approve the
Hon. W. O. Bradley in his ad-
ministration and find in him a man
with courage and convictions, and
one who is at all times ready to
suppress any and all lawlessness and
protect the citizens of the State.

2. That we approve of the action of
Governor Bradley in his prompt ac-
tion in calling out the State Militia at
the time he did.

3. That we condemn the action of
the State Senate in usurping its power
to judge and turn out its members
without cause or reason or giving to
them a chance to be heard and con-
sistency to all of them. M. L. HEAVRIN,
Chairman.

While the Committees were out
Hon. J. S. R. Wedding was called on
for a speech, and responded with a
ringing little speech. After the Com-
mittee's reports were read, nomi-
nations were in order for State Senator.
M. L. Ward nominated Dr. A. D.
James to succeed himself. W. A. Gib-
son moved that the nomination be
made unanimous, seconded by Judge
J. P. Morton. Dr. James was de-
clared the nominee of the Convention
and the Chair appointed J. S. R. Wed-
ding, Judge J. P. Morton and M. H.
Thatcher a committee to confer with
Dr. James by telegram. The follow-
ing telegram was sent and in a few
minutes Dr. James replied:

BEAVER DAM, April 3, '96.

Dr. A. D. James, Penrod, Ky.

You have been nominated by accla-
mation to succeed yourself as Sena-

the Convention, it adjourned
with a vote of thanks to the people
of Beaver Dam and especially to the
members of the Beaver Dam Brass
Band.

THE BEAVER AT HOME.

The maid who binds her warrior's sash,
With smile that well her pain dis-
sembles,
The while beneath her drooping lash
One starry tear drop hangs and
trembles,
Through heavy slumber records the tear,
And fame shall never know her
story.

Her heart has shed a drop as dear
As e'er bedewed the field of glory!

The wife who girds her husband's
sword,
And bravely speaks the cheering word,
What though her heart be rent as-
under,
Doomed nightly in her dreams to hear
The bolts of death around him rat-
tle.

Hath steel as sacred blood as e'er
Was poured upon the field of battle!

The mother who conceals her grief,
While to her breast her son she
presses,
Then breaths a few brave words and
brief,
Kissing the patriot brow she bless-

With one but her secret God
To know the pain that weighs upon
her.

Sheds holy blood as e'er the sod
Received on freedom's field of honor!

Spain cannot tolerate the truth
about her bloody campaign in Cuba,

who dare to tell it do so at his per-

his own truthfulness and a tribute to
the honesty and enterprise of the

a man hateful to the eyes of the Span-

Spring Time.

Is when nearly everyone feels the
need of some blood purifying, strength
invigorating and health producing
medicine. The real merit of Hood's
Sarsaparilla is the reason of its wide-
spread popularity. Its unequalled
success is its best recommendation.

The whole system is susceptible to
the most good from a medicine like
Hood's Sarsaparilla taken at this time,
and we would lay special stress upon
the time and remedy, for history has
it recorded that delays are dangerous.

The remarkable success achieved by
Hood's Sarsaparilla and the many
words of praise it has received, make
it worthy of your confidence. We
ask you to give this medicine a fair
trial.

A FAVORABLE SHOWING

The Statistics of Ohio
County as Compi-
ed by

County Assessor, N. C. Danial,
and His Corps of Able
Deputies.

In the following statistics it will be
noticed that our county listed \$28,100
hogs or a fraction more than 5 hogs for
each of our 5,612 voters. They were
valued at \$67,019 or nearly \$2.39 per
head. Taken by Justices Districts
we find them distributed as follows:

Dist.	No. hogs	Val
Hartford	7,083	\$15,680
Cromwell	5,670	15,341
Rosine	6,078	15,281
Pondsville	5,731	13,087
Bulford	3,327	7,300
Added list	202	330
Total	28,100	\$67,019

By foregoing table we observe that
Hartford district has greatest number
but they are listed at a smaller value
per head than hogs in any other dis-
trict. Here they are listed at nearly
\$2.10 per head. Cromwell hogs are
valued highest, the average price per
head in that district being a small
fraction more than \$2.70. Additional
list average price is a fraction more
than \$1.63 per head.

That each voting precinct may
know how they stand in this matter
of pork, sausage, ham and jowl and
what it is valued at, we below will
tell, viz:

Precinct	No. hogs	Val
E. Hartford	1,460	\$3,139
W. Hartford	803	1,890
Beda	810	2,059
Sulphur Spgs	1,684	4,088
Magan	2,32	

IT'S DOLLARS TO CENTS

That you part with your money with some reluctance. After getting money the difficulty is to keep it. Isn't it true that you are constantly tempted to part with it. If you ask us if we are putting temptation in your way, there's nothing left for us but to own up, that's just what we are doing. You know it may easily be as foolish to keep money as it sometimes is to part with it. Never resist temptation when it comes in the tempting form of our immense Bargains purchased for spot cash. Printing prices in an advertisement conveys but an indistinct idea of the qualities you are to receive for those prices.

Nothing flows so freely from the facile pen of some advertisers as falsehoods. It is just as easy to write a big lie or a little one as to tell the truth. To write "Reduced from \$2 to \$1" is no more labor than to write "Reduced from \$2 to \$1.50," but in the minds of some merchants is deemed more effective. In many instances the phrases "Marked Down," "Reduced to," "Worth so and so," are meaningless expressions when "Sifted Down." Quoting an article as being reduced from a certain high price to a specified low price is no evidence of worth unless there be intrinsic value in the article. Good quality and low price must be linked together in order to produce a bargain. It is an easy matter to mention prices, but a very difficult thing to describe qualities—the latter must be seen to be correctly judged. If an advertiser could attach a sample of the goods advertised at a certain price to each copy of the newspaper in which his announcement is published they could see at a glance how near the truth the description came, but as this is impossible, resort is had in many instances to the reckless use of superlative adjectives in describing qualities, styles and values that are proven to be ridiculously false when the goods are seen.

When you want dry goods, notions, clothing, boots and shoes, hats, caps, furnishings, groceries, trunks, valises, etc., see our goods before you spend your money.

Yours for best values,

SPECIAL election.

VOTE for James.

VOTE for Dr. A. D. James.

SPECIAL election, Tuesday, April 21st.

At special election, vote for Dr. James.

On Tuesday, April 21st, go to the polls and vote for Dr. A. D. James for State Senator.

Will the upright honest Democracy obey the scheming Mugwump bosses and play wig wag too? We think not.

Ohio county did herself proud when she selected her present Republican Committee. If voters will do their duty as well as said committee success is already assured.

Ohio county Republicans will be well represented in both District and State Conventions next week. See list of delegates elsewhere in this issue.

How is Editor Felix? since he has forced himself and his paper into the Populist ranks, going to explain the abuse both have for months heaped upon said party?

If the scheming mugwump bosses had not so ordered it, Frankie would not have attempted to force himself and his paper into the People's party ranks. Individually he does not possess brass enough to do such a thing, but as "Simon said Wig Wag" he wiggled and he waggled.

The Olympic Games were opened at Athens on Monday with imposing ceremonies, and an attendance of 80,000. The American athletes carried off first honors in every contest in which they entered. J. B. Connally won the hop, step and jump, covering 13.71 meters, or 44 feet 11 1/2 inches, nearly.

The great majority of those who voted for Governor Bradley last year are loyal to him, and the only opposition is dwindling away as it becomes more and more apparent that Kentucky is going to stand squarely by her own splendid leader. The attempt to make it appear that Gov. Bradley is opposing McKinley is not deceiving any McKinley men who are in his confidence.

Ohio county Republicans began a series of meetings last Thursday which resulted in a general revival all over the county on Saturday and a regular love feast here on Monday. Doors will be open for addition of new converts on Tuesday, April 21st, in every precinct in the county at which time the names of hundreds of new members will be enrolled. Books are now being prepared at this office. Vote early. Polls close at 4 o'clock.

VOTE THE LOG CABIN TICKET.

VOTE early. Polls close at 4 o'clock.

WITHOUT any solicitation whatever the Hartford Herald has gone Populist.

THE Hartford Herald was never known to tell the truth about a Republican Convention. But it lies only to help the Republican party in Ohio county. Populists will remember the abuse it heaped upon Mr. Pirtle a few months ago. Quite a comparison now?

FRANKIE'S paper, the Hartford Herald, will no doubt dance to a lively People's Party tune next week when it did last Wednesday, as the scheming Democratic wire pulling bosses have hold of the string now and when they pull Frankie jumps. Watch him jump, Ha, ha!

TAX payers, don't join the "Wig Wag" party, but go to the polls on Tuesday, April 21st, and vote for honesty and purity in politics by stamping your ballot in the large square containing the Log Cabin, thereby sending Dr. James back to fill out the unexpired term, which rightly belongs to him.

It is strange how they do it, but they do it all the same. It was only last Tuesday that the Democratic wire pulling managers, manipulators, schemers and bosses of this Senatorial District met at Beaver Dam and ordered Felix to force himself and his paper, the Hartford Herald, upon the Populist party for the present two week's campaign and Frankie obeyed promptly Wednesday morning. It is simply another game of Simon says Wig Wag and Frankie is in the game, but the honest upright Democracy won't join in the game nor will our tax payers who count the costs of special elections.

THE special election ordered to be held April 21st to elect a State Senator to fill the vacancy caused by Democratic Senators declaring the seat of our Senator, Dr. A. D. James, vacant, without even giving him any sort of a trial, will cost the tax payers of this district not less than (\$1,100.00) eleven hundred dollars in cash, besides the loss of time to attend the election, and this, notwithstanding the fact that the Senator elected will only be able to draw (\$300.00) three hundred dollars as salary for his term of office. Tax payers of Ohio county will be forced to pay in cash not less than (\$115.00) four hundred and fifteen dollars of this election expense.

THE alleged "McKinley men" are badly rattled in this State and a great many who, a few days ago, were clamoring for the Obiano, have concluded that the very gauzy stories of future pie that are being told for stimulation for the attempted war on Gov. Bradley, need some corroboration. In other words the office seeking contingent would like to know whether McKinley has authorized anybody to promise the patronage of the National administration in case he succeeds. As a matter of fact, Gov. McKinley's managers have written to Gov. Bradley's friends repudiating the anti-Bradley light in Kentucky, that is being made under the pretense of helping McKinley.

Rev. H. D. Burch preached at Makan Saturday and Sunday to a good size audience.

Rev. Burch will preach at the old barbeque grounds near Hines Mill each first Sunday at 3 p. m. and Rev. John Storms each third Sunday. The people in the vicinity are trying to get a preacher for each Sunday in the month.

Mr. A. P. Tanner and Miss Caltha Johnson were married at the house of your scribe the 8th at 3 p. m. The groom is a very prominent young man of this community, son of Mr. Sam Tanner. The bride is a daughter of Mrs. N. A. Johnson, of Centertown.

Nearly all the houses in this community have distemper, greatly hindering the farmers.

Mr. and Mrs. Asberry, of Hancock county, were in the vicinity last Sunday.

A letter was received here Wednesday from Rev. Edwin Dury stating that he would be here Monday and lecture four nights, beginning Monday night 13, and close Thursday night. Every body is invited to come out and hear him.

CONVENTION.

A Large and Enthusiastic Meeting at the Court House.

Monday was a gala day for the Republicans of Ohio county. The morning was bad, but a large number began to arrive early and by noon the streets were full of them. Promptly at one o'clock Secretary W. A. Gibson called the house to order and stated the object of the meeting. Hon. J. S. R. Wedding nominated Hon. C. M. Barnett for Chairman. He was chosen without any opposition, and upon taking the chair was loudly applauded. He made a ringing Republican speech in which he completely captivated his hearers. Sam A. Anderson was elected Secretary and the Convention proceeded to business.

Upon motion of J. A. Smith the Chair appointed the following Committee on resolutions: J. A. Smith, A. B. Stanley, M. S. Ragland, Wood Tinsley, H. H. Davis, G. W. Maddox, Jas. DeWeese. While the Committee was out speeches were made by J. S. R. Wedding, D. M. Hocker, R. C. Jarnagin and Jno. H. Thomas, which served to liven the crowd. The Committee made the following report which was adopted:

RESOLVED, By the Republicans of Ohio county in Convention assembled:

1. That we approve the call of this convention, the call for a district convention at Hodgenville April 13, and State Convention to be held in the city of Louisville, April 15.

2. That we approve the honest efforts of the Republican House of Representatives to redeem our pledges to the people, to pass laws for the financial relief of the State and take it from its present bankrupt condition, brought about by Democratic incompetency and extravagance; to abolish unnecessary offices and the State Board of Equalization; to reduce excessive salaries to relieve the oppressed and unpaid miners and other laborers, and condemn in unmeasured terms the Democratic Senate for its defeat of all these measures.

3. That we denounce the revolutionary actions of the Senate majority: its laical expulsion of Senators James and Walton, and commend the action of our honored Governor in evoking the aid of the State Militia to prevent the disgrace and bloodshed which was sure to have been the climax of the trampling under foot of law, order and decency by the Democratic officers of the Senate, urged on by a horde of armed desperadoes, directed by Senator Blackburn.

4. That Ohio county Republicans, remembering that Gov. Wm. O. Bradley has never failed to come to their aid with his powerful logic and matchless eloquence, when, in need they have appealed to him, and believing him to be the equal, in every respect, to any of our many worthy Presidential aspirants, desire to stand by Kentucky's gifted son, and hereby direct our delegates to the district and State Conventions to vote to instruct delegates from the district and State at large to the National Convention to vote for and use all honorable means to secure his nomination for President at St. Louis.

5. That we endorse the course of our distinguished Congressman, Hon. Jno. W. Lewis, at Washington. Especially his untiring efforts in behalf of internal improvements in his district, and we instruct our delegates to the district convention at Hodgenville to cast the vote of Ohio county for him for re-nomination.

6. That our delegates to the State Convention are instructed to vote for Gov. E. H. Hobson, of Green county, and Senator W. J. Deboe, of Crittendon county, for two of the delegates from the State at large to the National Convention.

7. That we further instruct our delegates to the district convention to cast the solid vote of Ohio county for Hon. C. M. Barnett for re-election as member of the State Central Committee from this district, and for Col. J. S. R. Wedding for district delegate to the National Convention.

8. That the following named persons are hereby appointed delegates to the district convention at Hodgenville and the State Convention at Louisville, together with all other good Republicans of Ohio county who may desire to attend said Conventions: J. S. R. Wedding, C. M. Barnett, C. N. Marks, Jno. P. Morton, P. Keown, W. A. Gibson, C. L. Woodward, A. B. Stanley, A. S. Aull, W. H. Lyons, S. L. Stevens, J. H. Roberts, H. C. Leach, G. D. Royal, M. L. Heavenry, Dr. J. W. Meador, Ike Adair, P. A. Gary, (of col.) Sam Gains, Dr. J. L. Lisle, Nicholas Barrass, Dee Rinder, S. A. Anderson.

J. A. SMITH,
A. B. STANLEY,
M. S. RAGLAND,
WOOD TINSLEY,
H. H. DAVIS,
G. W. MADDOX,
JAS DEWEESSE.

A roll of the county was called for County Committeemen from the County at large, which resulted in the selection of W. A. Gibson and Judge Jno. P. Morton.

There being no further business before the Convention a motion was made to adjourn, which carried and the Convention was declared adjourned.

NOTES.
Mr. Gibson received the instructions from every precinct in the county save two for Committeemen at large.

Col. Barnett is an ideal presiding officer.

Harmony was no name for it. It was a perfect "love feast."

Every precinct except Aetnaville

which has only 38 or 40 Republican voters was represented.

Chairman Barnett, County Clerk Hocker, Col. J. S. R. Wedding, Richard Jarnagin and Jno. Henry Thomas entertained the crowd with their eloquence.

In re-organization of County Committee W. A. Gibson and Judge Jno. P. Morton were selected as committeemen from the county at large. The Committee elected W. A. Gibson Chairman and Judge Jno. P. Morton as Secretary of said body, which is already at work organizing for April 21st. Watch them.

Easter exercises were conducted on a grand scale by the Centertown Sunday School last Sunday. Regular services were held and a grand Easter gathering was held afterward. A large number were in attendance and a general good time is reported. Rev. J. C. Brandon preached in the forenoon. Centertown always comes to the front in anything else undertakes.

Mr. W. H. Williams has accepted a position with the Farmer's Tobacco Warehouse of Louisville. He will move his family there this week.

APPEAL TO VOTERS!

A State Senator to Elect and a Special Election Ordered to be Held on Tuesday April 21, 1896.

The voters of Ohio county are hereby notified that a Special Election has been ordered and will be held on Tuesday April 21st for the purpose of electing a Senator from this district to fill the vacancy caused by the Democratic Senators, in our late Legislature, expelling our Senator, Dr. A. D. James, or rather by declaring his seat vacant without any charge being preferred against him and without giving him any sort of a trial.

Such an outrage was never before perpetrated by any Legislative body and I dare say no set of men outside of our present "job lot" of Democratic Senators would dare to attempt such a wrong. Not being satisfied with preventing the passing of a revenue bill so as to enable our State to pay her officers, our jurymen and our school teachers, they have spitefully forced Ohio, Butler and Muhlenberg counties to stand the expense of this Special Election. This will cost Ohio county tax payers not less than four hundred and fifteen dollars and they must foot the bill. An outrageous expense, caused by an outrageous Democratic Senate.

The Republican party met in convention at Beaver Dam last Friday, April 13rd, and nominated, Dr. A. D. James to fill out his unexpired term and we should by all means re-elect him, and thereby notify these Senators that Ohio county desires them not to meddle with our affairs and cause such enormous expenses to be heaped upon us. Will you thus re-huke them and say to them we know who we want to represent us, by going to the polls, casting your vote for Dr. A. D. James and re-electing him to the seat from which he was withdrawn cause so unconcermously ejected? I believe you will.

'Tis true the People's party have nominated a candidate to oppose Dr. James, but the Democratic schemers, ring leaders, tricksters and wire pulling bosses of the district have seen cause to prevent the honest Democracy from making any nomination, thereby hoping to force them to vote the Populist ticket and thus defeat Dr. James, whom the voters of the district elected by an overwhelming majority last November and who all honest upright citizens want to see fill out his unexpired term. Will the honest Democratic tax payers join these schemers and bosses in upholding the crime that has been perpetrated upon them as tax payers and as honorable citizens? I hardly think they will so degrade themselves.

I therefore appeal to all lovers of the right, all enemies of wrong, all admirers of justice, all honest voters irrespective of former party affiliations to go to the polls early on Tuesday morning, April 21st, stamp your ballot in the large square containing the Log Cabin, and thereby send a rebuke to those Usurpers who have caused this trouble and expense, by electing and sending Dr. James back to fill his unexpired term. Such action will tell them in unmistakable terms that they, nor any other set of schemers, can put the wool over tax payers' eyes in any such manner. Yours Very Truly,
W. A. GIBSON, Ch'm'n.

President Isaac Lewis of Sabina, Ohio, is highly respected all through that section. He has lived in Clinton Co. 75 years, and has been president of the Sabina Bank 20 years. He gladly testifies to the merit of Hood's Sarsaparilla, and what he says is worthy attention. All brain workers find Hood's Sarsaparilla peculiarly adapted to their needs. It makes pure, rich, red blood, and from this comes nerve, mental, bodily and digestive strength. "I am glad to say that Hood's Sarsaparilla is a very good medicine, especially as a blood purifier. It has done me good many times. For several years I suffered greatly with pains of

in one eye and about my temples, especially at night when I had been having a hard day of physical and mental labor. I took many remedies, but found help only in Hood's Sarsaparilla which cured me of rheumatism, neuralgia and headache. Hood's Sarsaparilla has proved itself a true friend. I also take Hood's Pills to keep my bowels regular, and like the pills very much." Isaac Lewis, Sabina, Ohio.

The good people of Liberty organized a Sunday School at our church last Sunday, April 5th. Prospects are flattering for an interesting Sunday School. Everybody is invited to attend.

The people of this vicinity have firmed but little yet, as the weather has been so rainy and cool.

Mr. James A. Austin is erecting a fine house on his lot near Beaver Dam.

Miss Nannie Raley visited friends and relatives in this neighborhood a few days last week.

Miss Ida Leach, who has been very sick, is improving.

Mr. James A. Austin and two of his daughters, Misses Eva and Lillie, made a flying trip to Hattitond one day last week.

We learn that the musical at Mr. J. A. Austin's last Saturday night was highly enjoyed.

Mrs. Sadie Hocker was born August 8, 1824, and was married to James Rowe in 1843. She professed religion when quite young and joined the Baptist Church. She was a good christian woman and loved by all who knew her. She was one of those quiet christians who walked by faith and not by sight and exhibited her religion by the life she lived and not by her talk. She was married to Elijah Hocker, May 8, 1862. She was a faithful wife, a loving mother, a good neighbor, and leaves several children and a host of friends to mourn her loss. Her funeral was preached by the writer January 22, 1896, after which her remains were laid to rest by the side of her husband in Goshen Cemetery. G. J. BEAN.

In Memory.

The angel of death has again visited our town and community and removed from our midst Elder E. H. Dymond, who has been in very delicate health for the past three or four months just after the clock had chimed off the hour of eight on last Saturday morning grandpa breathed his last, his spirit took its flight to God who made it. He passed away as one in a deep sleep and without a struggle. He had reached the ripe old age of 72 years, nine months, and had been a member of the Christian Church for about 48 years and had been an Elder of the Church at different places and was one of the elders of the Christian Church here at the time of his death. His remains were followed by a large crowd of sympathizing friends and relatives from the residence of Warren Kefauver to the Petty graveyard where he was laid away in his last earthly resting place with appropriate exercises. In some conditions the gain from the use of Scott's Emulsion of Cod-liver Oil is rapid. For this reason we put up a 50c. size, which is enough for an ordinary cough or cold, or useful as a trial for babies and children.

In other conditions gain must be slow, sometimes almost imperceptible, health can't be built up in a day. For this Scott's Emulsion must be taken as nourishment, food rather than medicine, food prepared for tired and weak digestions.

SCOTT'S EMULSION has been endorsed by the medical profession for twenty years. (Ask your doctor.) This is because it is always reliable. Always uniform. Always contains the purest Norwegian Cod-liver Oil and Hypophosphites.

On last Thursday evening at eight o'clock the Rev. J. P. Hicks formerly of Lebanon, Tenn., and Miss Nancy Funk, of this place were united in the holy bonds of matrimony. The enjoyable event took place at the Union Church here, Rev. Willis Smith, of Owensboro, officiating. Rev. Hicks is the much esteemed pastor in charge of the C. P. Church at this place, Hartford, Beda, and Mount Zion, and stands high religiously, socially and intellectually among people under his charge, and with all whom he has come in contact with during the year he has so earnestly and faithfully worked among us. He is a logical, forcible, speaker, and taking his experience into consideration he bids fair to rise high in church circles. The young lady has been so fortunate to win as a companion along life's pathway in one possessing many high qualities of heart and mind, taking great interest in religious matters, always ready and willing to labor for the great and good cause she so earnestly espouses. That she will prove a great helpmate to her husband in his life work, is assured, for to know her, is to love her, and while we regret to give up such a noble christian worker from our midst, we hope her fields for doing good are only enlarged. A large assembly of intimate friends and relatives of the bride and groom were present to witness the beautiful ceremony, performed in Brother Smith's usual impressive manner. The church was beautifully decorated, and a handsome double arch beneath which the happy couple were made man and wife.

GOATS AS BAGGAGE.
They Eat Up Bicycle Tires and Check Straps on Trucks.

Six years ago the baggage department of the Northern Pacific road issued an order that no goats could be transported in baggage cars. A peculiar incident brought about the general order. A goat had been placed in a baggage car that was bound for the Pacific coast. During the trip the animal had eaten the leather straps that hold the brass checks to the trunk. When Portland was reached the checks were all on the floor of the car and there was no way of identifying the trunks. It took nearly three months to straighten out the tangle and the general order was issued. The rule has never been disobeyed until the last few weeks.

C. E. Stone, city ticket agent of the Northern Pacific ticket office in St. Paul, generally makes contracts with traveling shows that pass over the road. He had an "Uncle Tom's Cabin" company recently, with bloodhounds and a donkey, that was booked in towns along the road.

Among the properties of the show was a small wagon, in which were seated two goats that were used to give a street parade. Contrary to orders, Agent Stone took the goats and had them put in a baggage car with the bloodhounds and the donkey.

In the same car were two bicycles belonging to a man and his wife. During the night the goats dined on veritable mud pudding, for they ate up the pneumatic tires of the bicycles and chewed the cork handles for a dessert. The owners of the bicycles filed a claim with the company. The claim was referred to the baggage department. When it reached Agent Stone there was a copy of the prohibitory order attached to it, with instructions that the one who was responsible for the violation of the rules should pay the claim of \$60. Agent Stone will "dig up" a portion of his monthly stipend to settle with the claimants.—Minneapolis Times.

Arizona's Stone Forests.

The regions of the Little Colorado river in Arizona abound in wonderful vegetable petrifications—whole forests being found in some places which are hard as flint, but which look as if recently stripped of the foliage. Some of these stone trees are standing just as natural as life, while others are piled across each other a real wood forest. Geologists say that these stone trees were once covered to the depth of 1000 feet with marl, which transformed them, from wood to solid rock. The marl, after the lapse of ages, washed out, leaving some of the trees standing in an upright position. The majority of them, however, are piled hither and yon in all directions, thousands of cords being sometimes piled up on a bare ground.—Cincinnati Commercial Gazette.

Blood purified, diseased cured, sickness and suffering prevented—this is the record made each year by Hood's Sarsaparilla.

Knights of Pythias.
A writer in the Louisville Commercial says:

"Mr. F— and Your Brother Knights: My husband was taken sick and had to come home. He had been home but a short time till some of his brother Knights came to see him and said they were ready to render any assistance they could. They furnished a nurse and did all they could for him, and for ten long weeks there was not a day passed without some of them calling to see him. Some have asked me if this was not a form belonging to the order. Surely not. Men would not leave their work or their business and come for miles just for mere form's sake. Of course their secrets I know nothing of, but I do know that they must be bound together with bands stronger than steel, for there can be no deceit where such a brotherly love exists. Often when he would be sad I would try to be cheerful, but he would detect it, and when some of his brother Knights came in, oh, what a change! It would seem like sunshine hurrying through a black cloud and driving the darkness away. It would lift the shadow that hung over our home, bring back a smile to his pale face, and make one feel that life was worth living, and that charity yet dwelleth in the human heart. Right here I wish to say a few words to the wives of Knights. Do not oppose your husband going to the lodge, for surely they learn noble things. I have always been a friend to the order. Had I not how would I feel now, after the kind treatment my husband received? Encourage your husband to go to the lodge for there is something about the noble order that the outside world does not understand.

"Let the wives, mothers, sisters and daughters of Knights hold up this grand order, and say a good word for it whenever practicable.

"I thank your brother Knights, and may He who rules all things shower His richest blessings on you all. Our children join in returning thanks to all. Yours, etc.,
MRS. JANE H."

The Time for Building
Up the system is at this season. The cold weather has made unusual drains upon the vital forces. The blood has become impoverished and impure, and all the functions of the body suffer in consequence. Hood's Sarsaparilla is the great builder, because it is the One True Blood Purifier and nerve tonic.

Hood's Pills become the favorite cathartic with all who use them. All druggists, 25c.

Don't suppose that just because the Kismetmen woven wire fence is the "best on earth," it is too good for you, but write to Kismetmen Bros., Ridgeville, Ind., for their illustrated catalogue, which will clearly show how you can build the fence at the actual cost of the wire. See ad. in another column.

"GREATEST ON EARTH."
Dr. Miles' Restorative Nervine.

Mr. R. T. Caldwell, is book-keeper in the First National Bank of Fulton, Ky. "I was completely run down, my nerves became so unstrung through loss of sleep and worry that I felt sure I would be compelled to give up my position. I was a wake all night long, and it took but little

to shake me up so that I could not possibly attend to my business as I should. In connection with this I had fever, trouble, nervousness about the stomach, and pains in different parts of my body. I was also much reduced in flesh. I was persuaded to try

Dr. Miles' Restorative Nervine.

I first procured a trial bottle from a local druggist and got results quickly followed. I then procured a dollar bottle, and by the time I had used this up, I was a different man. I am now on my third bottle and am able to sleep soundly and eat regular, something I could not possibly do before taking your Nervine. I am now fully recovered, and do not hesitate to pronounce Dr. Miles' Restorative Nervine the greatest medicine
